The Summer Reading Program is a family read-to-me program. Family members check out and read library books to their child during each week of the program, recording the book titles on a reading log provided by the Library. A small participation prize is awarded each week after the book log is checked by Library staff.

There are two ways to participate in this program. Please choose one from the options below:

\_\_\_\_\_ **Option One: Individual Check-In** (lets you have scheduling flexibility). This option is not a story time but instead you visit the library to "check in" with your book log and receive your participation prize each week of the program, choosing from the Option One times shown on the bottom half of this page. **You are always welcome to come to any/all special programs in addition to this option.**

\_\_\_\_\_ **Option Two: Preschool Group Story Time and Book Log Check-In:** We hold a short storytime, usually followed by a craft, song, or other activity. Sometimes, instead of a storytime, we hold a special guest program. After our storytime or program, we check book logs, get the weekly participation prize, and check out fresh books to read for next time!

(Choose your storytime by circling it):

**Wednesdays at 4pm or 6:00pm                      Thursdays at 10:30am                      Fridays at 10:30am**

(Please, let us know if there are any weeks you cannot attend. It will open a space for other people to participate. Thank you.)

Return the top of this form to the Library and keep this bottom part.
